- **Except as noted below each hymn fits on one page.** For hymns with 5 or 6 verses, the first 3 verses appear on the top of the page and the remaining 2 or 3 on the bottom. The two halves of the hymn separated by a horizontal squiggly line:

- **Verses are numbered** just as in our own **1982 Hymnal** (*the original idea of separating verses by varying fonts proved unwieldy in Sibelius*).
- **Hymns** are listed in the **same order** as that of the package **sent from Canterbury**.
- Unless told otherwise before the service **sing unison on 1st and last verses, parts on the others.**

PLEASE REVIEW THESE HYMNS IN ADVANCE. Several are unfamiliar, and even some we know occasionally contain different words and or notes.
